**STRIVING FOR A  
SUSTAINABLE  
FUTURE**

## GENAN COATED TOP LAYER

For top layer surfacing for playgrounds, running tracks, pavements, bike lanes or the like,

Genan offers color-coated granulates:

### GENAN COATED TOP LAYER.

**GENAN COATED TOP LAYER** is a competitive, color-coated alternative to traditional EPDM or TPV top layers - and comes in six different colors:

**NATURE GREEN, OCEAN BLUE, CARIBBEAN BLUE, CRIMSON RED, VIOLET and EARTH BROWN.**

**GENAN COATED TOP LAYER** is based on GENAN COARSE granulate - with granule sizes between 2.0 and 4.0 mm.
